First off, you'll be meeting your officer at the hotel, and a small trip briefing session will be held. After this, you'll start your sightseeing program for the day.

Places to visit:

**Budhanilkantha** is a temple complex dedicated to Lord Vishnu. The sleeping deity monument partially submerged in water is the key attraction in the temple complex. The temple attracts thousands of Hindu and Vishnu devotees from all around the world. The temple complex is nearby the hotel, and is one of the most underrated destinations in Kathmandu. While at Budhanilkantha, do some local shopping, try out the local sweets, including the Nepalese equivalent of mozzarella and interact with the locals.

**Chandragiri Hill** is a rather recent attraction that opened in Kathmandu. Overlooking Kathmandu valley at an altitude of 2,551 meters above sea level, Chandragiri is one of the finest vantage points nearby Kathmandu for mountain viewing. The elevation ensures amazing views of Langtang Ri & Ganesh Himal, and of course, of the valley laid out below. An amazing cable car journey from the station down in Thankot takes you to Chandragiri in around 15 minutes with you suspended in air all the while! See the Bhaleshwor Mahadev Temple, have your lunch at the viewtower restaurant, take awesome selfies with the mountains arrayed behind you.

Take the cable-car back to Thankot station and drive straight to Nagarkot, which should take around 90 minutes. Transfer to Hotel Country Villa on arrival. Spend the evening at leisure at this hillstation and see amazing mountain views of the Himalayan range.

**Nagarkot** is a popular hillstation in the outskirts of Kathmandu valley, at 2200 meters altitude, which is popular for having Nepal's best sunrise view and Himalayan panorama. It is a good place to lay back in a couch and enjoy the scenes with a coffee at hand! Nagarkot is also a popular hiking destination, with hikes lasting 1 hour to well over 2 days. Or you can hire bikes from your hotel and explore. Or you can simply sit in the balcony and enjoy the scenes Nagarkot has to offer. Hotel Country Villa boasts some of the most magnificent scenes at Nagarkot.

### **Day 3: Bhaktapur visit, Dhulikhel&Namobuddha**

Enjoy the sunrise and mountain viewing at Nagarkot, and then have your breakfast. Spend the morning at leisure. Check-out from Nagarkot, and start the day's sightseeing program.

Visit **Bhaktapur Durbar Square**, one of the three durbar squares in Kathmandu valley. Listed as an UNESCO world heritage site, the durbar square was the capital for the medieval kingdom of Bhadgaon, or Bhaktapur. The area was once considered the most preserved of the three durbar squares, but sadly the April 2015 earthquake had some severe impacts on the old buildings. Now you can see retrofitting and reconstruction works going on in the area. But still most temples, monuments and chowks are fit to be visited. Visit the popular Nyatapola and Bhairanath Temples, and also the famous Potters' Square where you can see the local artisans using traditional methods to make pottery.

Drive on to Dhulikhel and check-in to Dhulikhel Mountain Resort. Also have lunch at the resort.

**Dhulikhel** is a popular hillstation beyond Nagarkot, which is popular for the scattering of typical Newari villages in the area, and for the excellent 180 degree's panorama of the Himalaya showcasing peaks like LangtangLirung, Gauri Shankar and Melungtse, and even Mt. Everest to the far east. Dhulikhel is a pleasant retreat from the hustle and bustle of Kathmandu. The nearby village has a multitude of temples and monuments and local markets, perfect for sightseeing. The thousand steps leading to the Kali Temple also shouldn't be missed!

Then drive to Namobuddha. **Namobuddha** is a popular hillstation in the outskirts of Kathmandu, at 2200 meters altitude, which is popular for its tranquil environment. Explore the forests and the local monastery.

Drive back to Kathmandu.
